

HSREALTY, INC.

REAL ESTATE BROKERS

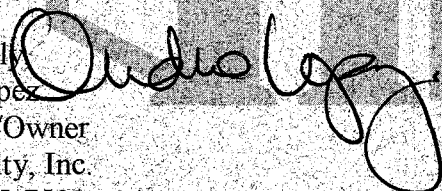

August 24, 2010

We at HSRealty, Inc. have worked with USA House Solutions for numerous Short Sale negotiations and have been pleased with the level of service, attention to detail, and overall results achieved.

I highly recommend any Realtor, or anyone involved in putting together a short sale, to work with Bob Warburton and USA House Solutions. Short sales are very time consuming, paperwork intensive and full of details. Unless you are an expert, you may find yourself dealing with the lender many times over on the same issue and not get your clients to the closing table. USA House Solutions takes care of all that work and deals directly with the lender. They have saved HSRealty, Inc. much time and money so we can concentrate on working with and communicating with our short sale buyers and sellers and freeing up time to pursue other real estate business and offer excellent service.

Again, if you are not getting your short sales through, please contact Bob Warburton at USA House Solutions. They will make the process smooth, professional and will get your clients to the closing table.

Sincerely,
